On The Cover

S Bar T Livestock

“Grand Slam” is the appropriate name for the Supreme Champion Ram at the 2019 North American International Livestock Exposition bred by S Bar T Livestock, Texas. “Grand Slam” is the winning White Dorper March ram lamb that captured not only the first NAILE Supreme Champion for the Turley Family, but also for the Dorper and White Dorper Breeds.

S Bar T Livestock was established in 2010 by Travis and Darla Turley. Their flock is located in Central Texas and currently runs 450 ewes. Their elite genetic combinations produced not only “Grand Slam,” but they also won the other three of the White Dorper Championships and Premier Exhibitor at the North American.

Their large inventory offers both new and old Dorper breeders opportunity to select a few or to put together packages of ewes or rams. 2020 will also find them consigning to the Mid-America and National Dorper Sale in Duncan, Okla.; the Midwest Stud Ram Sale in Sedalia, Mo.; the Southern States Sale in Cookeville, Tenn.; the Texas Hill Country Dorper Association Sale in Fredericksburg, Texas; and the Red River Dorper Class in Bowie, Texas in April and October 2020. The Turley’s invite our to plan a trip and come see their flock.

Winning Ways Sheep Farm

WWSF 19-840-“Miss MVP” our undefeated Champion Ewe, is emblematic of the sheep we strive to produce at Winning Ways Sheep Farm. She is long, straight, and correct with great substance, muscling and bone. She is wide topped with a great hip, yet remains extremely clean and extended up through the front. This very elegant female was sired by our “139” ram, an “RD” son. “139s” dam is a daughter of our outstanding Magen Shedden ewe. Miss MVP’s dam-13-840, also produced our 1st place senior ewe lamb(WWSF 18-840) at the 2018 National Show. 13-840 also produced the 2017 Champion Ewe at the All American Junior Show.

Since 1980, WWSF has won 11 National Champion Ram titles and now 18 National Champion Ewe titles, with three of them being named Supreme. Plus the 1976 Supreme was a Jones Bros. yearling ewe that was a part of the flock when we purchased an interest to start Winning Ways Sheep Farm. We demand consistent excellence from our breeding program, and we aim to think progressively while staying true to our roots of quality, complete, sound, eye-appealing Oxfords. Our philosophy has provided us, as well as our buyers, with a high lever of success. As shown in our ads over the years, our buyers have had outstanding success with Winning Ways sheep, and we have another fantastic set of 20 fall ewe lambs and 10 fall ram lambs to offer for the upcoming show and sale season. We look forward to seeing everyone again soon, and Happy Lambing!
